

STAGE 3: STUDIO WORK

- **STAGE 3: STUDIO WORK**

Studio works is allocated for the students to complete the report, detail drawings, and exhibition. However, it is advised that students complete their work during field work to the utmost. Complete drawings should be put on butter papers/print during assessment by the supervisor every week throughout the semester.

Students have to distribute work load among their own group and supervision by program coordinator and supervisor is effective along the period. Submission dates should be strictly complied.

- Attendance is compulsory to all students for studio work on the appointed dates.
